

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

Damn, who knew?
All the planes we flew
Good things we been through
That I'd be standing right here talking to you
'Bout another path
I know we loved to hit the road and laugh
But something told me that it wouldn't last
Had to switch up
Look at things different, see the bigger picture
Those were the days
Hard work forever pays
Now I see you in a better place, uh

How can we not talk about family
When family's all that we got?
Everything I went through
You were standing there by my side
And now you gon' be with me for the last ride

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Aah oh, aah oh

Woooooh-oh-oh-oh-oh-oh

Yeah

First, you both go out your way

And the vibe is feeling strong

And what's small turned to a friendship

A friendship turned to a bond

And that bond will never be broken

The love will never get lost

And when brotherhood come first

Then the line will never be crossed

Established it on our own

When that line had to be drawn

And that line is what we reached

So remember me when I'm gone

How can we not talk about family

When family's all that we got?

Everything I went through

You were standing there by my side

And now you gon' be with me for the last ride

So let the light guide your way, yeah

Hold every memory as you go

And every road you take

And I'll tell you all about it when I see you again

We've come a long way from where we began

Oh, I'll tell you all about it when I see you again

When I see you again

Aah oh, aah oh

Wooooh-oh-oh-oh-oh-oh

When I see you again

Aah oh, aah oh

Wooooh-oh-oh-oh-oh-oh

When I see you again
